OVERVIEW

Serve DC – The Mayor’s Office on Volunteerism

Serve DC – The Mayor’s Office on Volunteerism, also known as the DC Commission on National and Community Service, was established by an Executive Order in 2000 and is housed in the Office of Community Affairs in the Executive Office of the Mayor. The mission of Serve DC is to strengthen and promote the District of Columbia’s spirit of service through partnerships, national service, and volunteerism:

Partnerships: Develops partnerships among civic groups, government agencies, educational institutions, nonprofit organizations, faith-based organizations, and the business community.

National Service: Administers AmeriCorps and Learn and Serve America programs in the District of Columbia and facilitates collaboration among all streams of national service including Senior Corps and AmeriCorps VISTA.

Volunteerism: Encourages citizens of all ages and backgrounds to address a variety of community needs by volunteering. Leads the DC Citizen Corps initiative, which provides opportunities for citizens to volunteer and make their communities safer, stronger and better prepared to address threats of terrorism, crime and disasters.

AmeriCorps

AmeriCorps is a program of the Corporation for National and Community Service (CNCS) that supports local, state, and national organizations across the country that involves United States citizens in results-driven community service. AmeriCorps members serve their communities and build the capacity of nonprofit organizations to meet local environmental, educational, health, veteran, senior citizen, public safety, or other unmet human needs.

AmeriCorps projects address one or a combination of the national service priorities, meet critical needs of our nation, achieve national service goals, and address community problems. These include disaster services, economic opportunity, education, environmental stewardship, healthy futures, and veterans and military families. Within these issue areas, programs may submit proposals that address specific problems of local communities.

Full-time members who complete their service earn an Eli Segal AmeriCorps Education Award of \$5,550 to pay for college, graduate school, or to pay back qualified student loans. Members who serve part-time receive a partial Award. Some AmeriCorps members may also receive a modest living allowance during their term of service.

What is the purpose of AmeriCorps Planning Grants?

The purpose of the planning grant is to support the development of AmeriCorps programs that will engage AmeriCorps members in evidence-based interventions to solve community problems. Planning grant recipients are expected to be better prepared to compete for an AmeriCorps program grant in the following grant cycle. Planning grants may not be used to support AmeriCorps members.

Following Serve DC's initial review of all applications, a decision will be made as to which programs Serve DC will recommend to CNCS for Competitive funding consideration. The remaining applications – and those not selected by the CNCS for Competitive funding – will be considered for Formula funds. Serve DC reserves the right to reject applicants from both the Competitive process and from consideration for Formula funding. If rejected, applicants will not be able to apply for AmeriCorps funding from Serve DC for one calendar year. Serve DC anticipates notifying Competitive awardees by mid-May 2012. Applicants considered for Formula funding will follow the Formula application timeline.

The mission of CNCS is to improve lives, strengthen communities, and foster civic participation through service and volunteering. For more than fifteen years, CNCS—through its Senior Corps, AmeriCorps, and Learn and Serve America programs—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

On April 21, 2009, President Obama signed the Edward M. Kennedy Serve America Act, the most sweeping expansion of national service in a generation. This landmark law not only expands service opportunities, but also focuses national service on key outcomes; builds the capacity of individuals, nonprofits, and communities to succeed; and encourages innovative approaches to solving problems.

In order to carry out Congress' intent and to maximize the impact of the investment in national service, CNCS is seeking to fund programs that can demonstrate community impact and solve community problems through an evidence-based approach (e.g. performance data, research, theory of change).

In the AmeriCorps competition this year, CNCS and Serve DC especially seek to prioritize investment in three areas of its work. CNCS and Serve DC will continue to focus on national service programs that improve academic outcomes for children, youth, and young adults. This focus reflects the extensive experience and past success of national service programs in education, and aligns with the efforts of the Department of Education. In addition, CNCS and Serve DC seek to increase its investment in programs that serve veterans and military families or engage veterans in service. CNCS and Serve DC will also focus investment in programs that increase community resiliency through disaster preparation, response, recovery, and mitigation.

CNCS and Serve DC are carrying out Congress's intent by targeting this AmeriCorps Planning Grant funding in the focus areas described below. In accordance with the Act, through this Request and its other activities, CNCS and Serve DC seek to:

- Direct the power of national service to solve a common set of challenges.
- Expand opportunities for all Americans to serve.
- Build the enduring capacity of individuals, organizations and communities to effectively use service and volunteering to solve community problems.
- Embrace innovative solutions that work.

Veterans and Military Families Focus Area Description:

Grants will positively impact the quality of life of veterans and improve military family strength. Grant activities will increase:

- The number of veterans and military service members and their families served by CNCS-supported programs; and
- The number of veterans and military family members engaged in service provision through CNCS-supported programs.

Encore Programs

Congress set a goal that 10 percent of AmeriCorps funding should support encore service programs. CNCS seeks to meet that 10 percent target in this competition and encourages programs that plan to engage a significant number of participants age 55 or older to apply.

B. What are the 2012 AmeriCorps planning grant funding priorities?

CNCS expects to invest the available funding to applicants proposing programming in the Focus Area of Veterans and Military Families.

To meet this goal, CNCS will give priority consideration to the following, in descending order of preference:

- **Tier 1:** Applicants proposing to address outputs identified in the Veterans and Military Families Priority Measures.
- **Tier 2:** Applicants proposing to develop a program which will address outputs identified in the Pilot Measures.
- **Tier 3:** Applicants proposing to address other outputs in the Veterans and Military Families Focus Area.

A list of Priority and Pilot Measures can be found on page 7.

Applicants proposing programs that receive priority consideration are not guaranteed funding. CNCS will pursue a balanced portfolio across the Priorities. Furthermore, applicants must demonstrate significant program focus, design and impact to receive priority consideration. It will not be sufficient for an applicant to propose veterans and military family service as one of several aspects of the proposed program. While other services may be provided, the clear focus should be on veterans and/or military families.

*Applicants can request funds for grant periods from 9-12 months. **Planning grant recipients are not guaranteed operating grants, but will have time and resources to produce competitive operating grant proposals.***

Tier 1 and Tier 2 Priority Outputs

Tier 1: Veterans and Military Families: Priority Outputs
Veterans receive CNCS-supported assistance
Veteran’s family members receive CNCS-supported assistance.
Family members of active-duty military receive CNCS-supported assistance.
Military service members receive CNCS-supported assistance.
Tier 2: Veterans and Military Families: Pilot Outputs
Veterans are assisted in pursuing educational opportunities
Veterans are assisted in receiving professional certification, licensure, or credentials
Housing units are developed, repaired, or otherwise made available for veterans

An organization described in Section 501 (c) (4) of the Internal Revenue Code, 26 U.S.C. 501 (c) (4), that engages in lobbying activities is not eligible to apply, serve as a host site for members, or act in any type of supervisory role in the AmeriCorps program. Applicants should visit www.gpoaccess.gov/ecfr for additional requirements that may not be found in this document or the revised selection criteria at www.americorps.org/about/ac/rulemaking.asp. **Individuals are not eligible to apply.**

Required Technical Assistance Sessions

Selection Process and Criteria

In evaluating applications for funding, reviewers will assess program design, organizational capability, and cost-effectiveness and budget adequacy. The weights assigned to each category and sub-category are listed in the chart below. Reviewers will assess application narratives against these criteria and weight them accordingly.

Applications are selected by Serve DC staff and approved by the Corporation. If an applicant is rejected, the program must wait a full year before it can apply again. Before a program is recommended for approval by Serve DC it may be necessary to submit answers to clarifying questions or discuss topics through conference calls. Additionally, Serve DC may enter into negotiations with potentially successful applicants in a manner that may require modifications to original proposals within a short amount of time. **Because the participants on these review panels are outside experts, do not assume that they are familiar with your grant program. Please provide sufficient information in your application to make your program clear.**

Table 2: Basic Selection Criteria: Categories, Sub-Categories, and Respective Weights

Category	Percentage	Sub-Categories and Weights
Rationale and Approach	40%	No sub-categories
Organizational Capability	30%	No sub-categories

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit each funding priority and special consideration articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your project responds to the selection criteria presented below.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don’t make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions. Use headings to differentiate narrative sections by criterion.**

In eGrants, you will enter text for

- Executive Summary: Maximum one-half page. Executive summaries of all compliant applications will be published on the CNCS website following grant notifications.
- Program Design
- Organizational Capability
- Cost Effectiveness and Budget Adequacy

You may not exceed 16 double-spaced pages for the Narratives, including the Executive Summary and Cover Page, as the pages print out from eGrants. **Reviewers will not consider material submitted over the page limit, even if eGrants allows you to enter and submit text over the limit.** From the Review and Submit page, print out your application prior to final

submission to ensure it is not over the 16 page limit. This limit does not include the budget and performance measures.

Please note that the Narratives Section also includes fields for Clarification Information, Amendment Justification, and Continuation Changes. **These are not required fields.** They will be used to enter information for clarification following review, request amendments once a grant is awarded, and enter changes in the narrative in continuation requests. **Please enter N/A in these fields.**

A. Executive Summary

Please provide a one-paragraph executive summary of your proposed program. This paragraph must be one-half page or less. The summary should include who, what, where, and why:

- Who will be serving? Who will be served?

- Prior experience in the proposed area of programming.
- The management and staff structure and the role the board of directors, administrators, and staff will play in the planning process.
- Systems and processes for sound programmatic and fiscal oversight or plans to develop this capacity.

Special Circumstances

In applying the organizational capability criteria to each proposal, reviewers may also take into account the following circumstances of individual organizations:

- The age of your organization and its rate of growth.
- Whether your organization serves a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of philanthropic and corporate resources.

If you feel that any of the circumstances stated above have an impact on your organizational capability that has not already been discussed, please describe the circumstance and how it affects your organizational capacity.

In applying the cost-effectiveness criteria, CNCS will take into account the following circumstances of individual programs: program age, or the extent to which your program brings on new sites; whether your program or project is located in a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of corporate or philanthropic resources; whether your program or project is located in

a high-cost, economically distressed community, measured by applying appropriate Federal and State data; and whether the reasonable and necessary costs of your program or project are higher because they are associated with engaging or serving difficult-to-reach populations, or achieving greater program impact as evidenced through performance measures and program evaluation.

V. Budget Instructions for Planning Grant Applicants

A. Overview of Key Budget Requirements

Program requirements, including requirements on match are located in the AmeriCorps regulations, modified by appropriations language, and summarized below. Administrative costs must not exceed 5% of the total CNCS funds requested.

- You must match with cash or in-kind contributions at least 24% of the project's total budget.
- The acceptable sources of matching funds are federal, state, local, private sector, and/or other funds in accordance with applicable AmeriCorps requirements.

- Identify the source and total dollar amount of cash match from private, state and local and federal funds, the source type, and total amounts of in-kind support. Define all acronyms the first time they are used.

Note: Legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. The Federal Financial Report (FFR) will be used to collect the federal match data. Grantees that use federal funds as match will be required to report the sources and amounts on the FFR.

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in Appendix E to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheet in Attachment F. The Budget Checklist in Attachment G is a resource for you to ensure your budget is complete.

Please note that Attachments E, F and G include all budget line items for operating grants. The line items that pertain to Planning Grants are Section I and III.

eGrants will create the budget and the budget narrative automatically from the detailed budget information you enter. Once you have entered your budget information in eGrants you will be asked to validate your budget and eGrants will check your submission for errors.

Options for Calculating Administrative/Indirect Costs (choose either A. OR B.)

Applicants can choose to use one of two methods to calculate allowable administrative costs – a Corporation fixed percentage method or a federally approved indirect cost rate method. Regardless of the option chosen, the Corporation's share of administrative costs is limited to 5% of the total Corporation funds **actually expended** under this grant.

A. Corporation Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The Corporation fixed rate allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the Corporation Fixed Percentage Method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the Corporation funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the Corporation share for Section III: Multiply the sum of the Corporation funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The 5% maximum is calculated by multiplying the sum of the Corporation's share of Section I and Section II by the factor 0.0526. The factor 0.0526 is used to calculate the maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the Corporation share for Section III A.

2. To determine the Grantee share for Section III: Then multiply the total (both Corporation and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the Corporation and grantee shares under Total Amount.

State Commission 1% Fixed Amount: Applicants *must* budget 1.05% of the CNCS Share of Sections I and II to the State Commission Fixed Amount. This amount is the total that Serve DC can retain to administer the subgrant(s).

To calculate this amount: Multiply the sum of the Corporation shares of Sections I and II by 1.05% (i.e. 0.0105). Enter this amount as the Corporation share for Section IIIA, line item: Commission Fixed Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs, that decision is identified within each subgrant's budget. To calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$[(\text{Section I}) + (\text{Section II}) \times 0.0526] \times (0.20) = \text{Commission Share}$

$[(\text{Section I}) + (\text{Section II}) \times 0.0526] \times (0.80) = \text{Subgrantee Share}$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

B. Federally Approved Indirect Cost Rate Method

If you have a Federally Approved Indirect Cost (IDC) rate and choose to use it, the IDC rate will constitute documentation of your administrative costs, including the 5% maximum payable by the Corporation. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to

calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the Corporation and Grantee's shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the Corporation share: Multiply the sum of the Corporation funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the Corporation share of indirect costs.

3. To determine the Grantee share: Subtract the amount calculated in step b (the Corporation administrative share) from the amount calculated in step a (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Your detailed budget narrative must provide an itemized explanation of proposed costs, including their purpose.
- Present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Please refer to the relevant OMB Circulars on allowable costs for further guidance. The OMB circulars are online at www.whitehouse.gov/OMB/circulars.

Programs must comply with all applicable federal laws, regulations, and OMB circulars for grant management, allowable costs, and audits, including providing audits to the A-133 clearinghouse if expending over \$500,000 in federal funds, as required in OMB Circular A-133.

VI. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Authorization, Assurances and Certifications

Read the Authorization, Assurances, and Certifications carefully (Attachment I). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's authorized representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

VII. Survey on Ensuring Equal Opportunity for Applicants (Optional)

CNCS and other federal agencies are collaborating with the White House Office of Faith-Based and Community Initiatives to conduct a survey of organizations that apply for federal funding. The purpose of this voluntary information collection is to compile statistics on the types of organizations that apply to CNCS for funds, such as number of employees, budget size, and self-identification as a faith-based/religious organization or a non-religious community-based organization.

This form is for applicants that are nonprofit private organizations, **not including private universities**. All information from the attached survey will be confidential and the responses

will be aggregated in a summary report. Information provided on your form will not be released and will not be considered in any way in making funding decisions. If you are submitting a hard copy application, the form can be found in Attachment H.

You may complete the survey while preparing your application or after submitting your application.

1. To complete the survey while preparing your application, go to the Main Menu, select Enter Survey on Ensuring Equal Opportunity, provide requested information and submit.
2. If you submit your grant application without completing the survey, a pop-up box will appear and ask you if you would like to complete the survey. You may select Yes, No, or Remind Me Later. If you select Remind Me Later, you will be asked to fill in the survey next time you attempt to submit an application to CNCS.

ATTACHMENT C: Performance Measure Instructions (eGrants Performance Measures Section)

Step 1: Select Characteristics.

To begin, click one or more boxes in the “Grant Characteristics.”

Step 2: Select Focus Areas

Select the Focus Area in which your primary service activity fits. If your primary service activity does not fit into a Focus Area, select “Other” and skip to **Step 5**. You should only select multiple Focus Areas if each represents a significant area of planned AmeriCorps member activity. Do not include multiple Focus Areas to describe the same activity. Select the Focus Area that best describes the activity.

Step 3: Indicate that you will not opt-in to National Performance Measures:

Although eGrants will allow you to select all of your Focus Areas at once, we suggest starting with one Focus Area that represents your primary activity and then repeating **Step 2 – Step 6** for additional Focus Areas if applicable.

When you select a Focus Area, eGrants automatically pre-populates the selection “No” in response to the question “Will you be using a national performance measure related to this Focus Area.”

- Leave this selection as “No.”

Step 4: Complete the MSY Chart(s)

For each Focus Area selected, complete a Member Service Years (MSY) Chart. Although planning grants do not include MSYs, please enter 1 minimum-time MSY at 3% in order to submit in eGrants. This is a system requirement and has no bearing on your grant requirements. Repeat for any Focus Areas you have entered other than “Other.”

Step 4: Select Issue Areas and Service Categories

In eGrants, the service categories are located in the Performance Measures Section. In this section you will select issue areas and service categories that describe your program activities. First select an issue area, and then choose service categories from the pull down menu. When you have selected all applicable service categories, indicate which service category is the primary in importance to your program. Only one service category can be indicated as the primary per Focus Area. See Attachment B for the list of Issue Areas and Service Categories.

Step 4: Add a Performance Measure

Begin by creating the Performance Measure Output.

Step 5: Add Performance Measurement Title

Give this performance measure the title “Planning Grant Measure” and enter it in the text box.

Step 6: Select a Service Category

Service Category is a drop-down menu of choices based on your earlier identification of Service Categories; select one and continue by pressing the “go” button

Step 7: Describe Strategies to Achieve Result

Enter “Plan an AmeriCorps program and gain capacity to apply successfully for an AmeriCorps operational grant.”

Step 8: Select a Result Type

Select Output.

Step 9: Write a Result Statement

ATTACHMENT E: Detailed Budget Instructions (eGrants Budget Section)

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list separately. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item. Uncommon or exceptionally high-cost benefits should be itemized and justified.

C. 1. Staff Travel

Describe the purpose for which program staff members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. The standard mileage reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in budget narrative. Only domestic travel is allowable.

We expect applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. There are two to three such opportunities per year, including opportunities for new grantee orientation, the Annual Grantee Meeting, financial training, and the National Conference on Service and Volunteering. . Sub-grantees can list up to \$2,000 in this line item on the CNCS Share and up to \$2,000 on the Grantee Share.

For example: two staff members will attend the National Conference on Service and Volunteering.

2 staff X \$750 airfare + \$50 ground transportation + \$400 lodging + \$35 per diem = \$2,470 for national conference.

C. 2. Member Travel

N/A.

D. Equipment

N/A.

E. Supplies

Include the amount of funds to purchase consumable supplies and materials that cost under \$5,000 per unit. Items over \$5,000 are considered equipment and are not allowed as a budget cost for planning grants. You must individually list any single item costing \$1,000 or more.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training consultants, who will be listed in Sections G., below. Payments to individuals for consultant services under this grant may not exceed \$750 per day (excluding costs for indirect expenses, travel, supplies, etc.). The \$750 daily rate is a ceiling, and we anticipate budgeted daily rates at considerably lower levels. Indicate the daily rate, number of days, and total cost for consultants you are proposing to use and their contractual services.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills needed for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the maximum daily rate limit of \$750.

G. 2. Member Training

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for any employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share).
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other

projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

- Utilities, telephone, Internet and similar expenses that are specifically used for AmeriCorps project staff, and are not part of the organizations indirect cost/admin cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

Section II. Member Costs

All Member Costs are N/A.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21, A-87, and A-122.

Options for Calculating Administrative/Indirect Costs (choose either A. OR B.)

Applicants choose one of two methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method or a federally approved indirect cost rate method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant.

A. CNCS Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as CNCS share. The 5% maximum is calculated by multiplying the sum of the CNCS share of Section I and Section II by the factor 0.0526. The factor 0.0526 is used to calculate the maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Then multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the CNCS and grantee shares under Total Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs, that decision is identified within each subgrant's budget. To calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

B. Federally approved Indirect Cost Rate

If you have a federally approved indirect cost rate and choose to use it, the rate will constitute documentation of your administrative costs, including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

3. To determine the Grantee share: Subtract the amount calculated in step b (the CNCS administrative share) from the amount calculated in step a (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

Section IV. Match

Source of Match

In the “Source of Match” field that appears at the end of the Budget Sections, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other or Not Available) **for your entire match**. Define any acronyms the first time they are used.

In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.

The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.
