OVERVIEW

Serve DC

Serve DC – The Mayor’s Office on Volunteerism, also known as the DC Commission on National and Community Service, was established by an Executive Order in 2000 and is housed in the Office of Community Affairs in the Executive Office of the Mayor. Serve DC is the District of Columbia Government agency dedicated to promoting service as an innovative, sustainable solution to the challenges we face as a community and a nation. Serve DC engages District communities by building partnerships and organizational capacity, serving as the local lead for national volunteer and service initiatives, and providing and promoting meaningful service opportunities throughout the year.

Corporation for National and Community Service

Serve DC receives federal funding from the Corporation for National and Community Service (CNCS) to support National Service programs in the District of Columbia to include the AmeriCorps State program. The mission of CNCS is to improve lives, strengthen communities, and foster civic participation through service and volunteering. CNCS—through its AmeriCorps and Senior Corps programs and the Social Innovation Fund—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

AmeriCorps

AmeriCorps is a National Service program funded by CNCS. Locally, Serve DC supports the AmeriCorps State program in Washington, DC. AmeriCorps projects address one or a combination of the national service priorities, meet critical needs of our nation, achieve national service goals, and address community problems. These include disaster services, economic opportunity, education, environmental stewardship, healthy futures, and veterans and military families. Within these issue areas, programs may submit proposals that address specific problems of local communities. Full-time members who complete their service earn an Eli Segal AmeriCorps Education Award of \$5,730 to pay for college, graduate school, or to pay back qualified student loans. Members who serve part-time receive a partial Award. Some AmeriCorps members may also receive a modest living allowance during their term of service.

2015-2016 Grant Competition

Funding Available

Serve DC – The Mayor’s Office on Volunteerism announces the availability of AmeriCorps State Competitive funding for Fiscal Year 2015 – 2016 to eligible organizations. Subject to the availability of appropriations for Fiscal Year 2015, new applicants with high-quality proposals will compete nationally with other State and National programs for Competitive funds made available through Serve DC and CNCS.

Unless otherwise specified, the grant typically covers a three-year project period. In approving a multi-year project period, CNCS and Serve DC generally make an initial award for the first year of operation. In most cases, the application is submitted with a one-year budget. Continuation funding is contingent upon satisfactory performance, demonstrated capacity to manage the grant and comply with grant requirements, and availability of Federal appropriations. CNCS and Serve DC reserve the right to adjust the amount of a grant award for subsequent years, or elect not to continue funding on any or all these bases. In awarding funds, CNCS considers continuation grants first, followed by new and re-competing grants.

Additional funding is contingent upon satisfactory performance, a sub-grantee’s demonstrated capacity to manage a grant and comply with grant requirements, and availability of Congressional appropriations. CNCS reserves the right to adjust the amount of an additional grant award in subsequent years, or elect not to continue funding, based on these bases.

The project start date may not occur prior to the date CNCS awards the grant. AmeriCorps members may not enroll prior to the start date of the award. AmeriCorps members may not begin service prior to the beginning of the member enrollment period as designated in the grant award. A program may not certify any hours a member performs prior to the beginning of the member enrollment period.

Purpose of AmeriCorps Funding

AmeriCorps grants are awarded to eligible organizations engaged in evidence-based or evidence-informed (e.g. performance data, research, theory of change) interventions that use AmeriCorps members to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members receive a Segal AmeriCorps Education Award from the National Service Trust.

2015 AmeriCorps Funding Priorities: Focus Areas

This AmeriCorps State competition will focus grant making for fiscal year 2015 in six focus areas identified by the Serve America Act (SAA):

- Disaster Services
- Economic Opportunity
- Education
- Environmental Stewardship.
- Healthy Futures
- Veterans and Military Families

Disaster Services

Grant activities will provide support to increase the preparedness of individuals for disasters, improve individuals' readiness to respond to disasters, help individuals recover from disasters, and/or help individuals mitigate disasters. Grantees also have the ability to respond to national disasters under CNCS cooperative agreements and FEMA mission assignments.

Economic Opportunity

Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people; help economically disadvantaged people, including youth identified in My Brother's Keeper, to have improved access to services that enhance financial literacy; transition into or remain in safe, healthy, affordable housing; and/or have improved employability leading to increased success in becoming employed.

Education

Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged children; improved school readiness for economically disadvantaged young children; improved educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools; and/or support economically disadvantaged students prepare for success in post-secondary educational institutions.

Environmental Stewardship

Grants will provide support for increased individual behavioral change leading to increased energy efficiency, renewable energy use, and ecosystem improvements particularly for economically disadvantaged households and communities. Grant activities will decrease energy and water consumption; improve at-risk ecosystems; increase behavioral changes that lead directly to decreased energy and water consumption or improved at-risk ecosystems; and/or increase green training opportunities that may lead to decreased energy and water consumption or improved at-risk ecosystems.

Healthy Futures

Grants will provide support for activities that will improve access to primary and preventive health care for communities served by CNCS-supported programs; increase seniors' ability to remain in their own homes with the same or improved quality of life for as long as possible; and/or increase physical activity and improve nutrition in youth with the purpose of reducing childhood obesity.

Veterans and Military Families

Grants will positively impact the quality of life of veterans and improve military family strength; increase the number of veterans, military service members, and their families served by CNCS-supported programs; and/or increase the number of veterans and military family members engaged in service through CNCS-supported programs.

2015 AmeriCorps Funding Priorities

CNCS seeks to prioritize the investment of national service resources in:

- Disaster Services -- improving community resiliency through disaster preparation, response, recovery, and mitigation

- Economic Opportunity -- increasing economic opportunities for communities, specifically opportunity youth (see Glossary), both as the population served and as AmeriCorps members.
- Education -- improving student academic performance including STEM
- Environment -- 21st Century Service Corps (see Glossary)
- Veterans and Military Families -- positively impacting the quality of life of veterans and improving military family strength
- Governor and Mayor Initiatives (see Glossary)
- Programing that supports My Brother's Keeper (see Glossary)
- Multi-focus intermediaries that demonstrate measureable impact and primarily serve communities with limited resources and organizational infrastructure. i.e. rural and other underserved communities. (See Glossary)

Glossery is located at: http://www.nationalservice.gov/sites/default/files/documents/2015_NOFO_Glossary_0.pdf

In order to receive priority consideration, applicants must demonstrate that the priority area is a significant part of the program focus and intended outcomes and must include a high quality program design. Responses that propose programs for the purpose of receiving priority consideration are not guaranteed funding.

National Performance Measures

The Serve America Act (SAA) emphasizes measuring the impact of service and focusing on a core set of issue areas. CNCS' five-year Strategic Plan establishes an ambitious set of objectives that guided the development of 16 agency-wide Priority Performance Measures. CNCS expects organizations to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from its work as well as make tactical and strategic adjustments to achieve its goals. For more information, please refer to the National Performance Measure Instructions at http://www.nationalservice.gov/sites/default/files/documents/ACSN_PM_Instructions_2015_NOFO.pdf.

Types of AmeriCorps Grants Available

The types of AmeriCorps grants offered by Serve DC in this competition are described below. CNCS and Serve DC will not provide more than one grant for the same project in one fiscal year. CNCS recommends consulting the AmeriCorps State and National Fit Finder to decide which type of grant best aligns with your proposed project (<http://www.americorps.gov/fitfinder/>).

AmeriCorps State Competitive Grants

These grants are for organizations planning to operate an AmeriCorps program in a single state (Washington, DC). These grants are awarded to fund a portion of program costs and member living allowances.

Professional Corps Grants

These grants are awarded to organizations that propose to operate a Professional Corps program. Professional corps programs recruit and place qualified members in positions as teachers, health care providers, police officers, engineers, or other professionals in communities with an inadequate number of such professionals. Applicants are eligible to apply for funding for a portion of program costs. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget. These grants can either be fixed amount or reimbursement grants.

Types of Funding

AmeriCorps grants through Serve DC can be awarded on a cost reimbursement or fixed amount basis. Serve DC requires prior approval to submit an application for a fixed-amount grant.

Cost Reimbursement Grants

Cost reimbursement grants fund a portion of program operating costs and member living allowances with flexibility to use all of the funds for allowable costs regardless of whether or not the program recruits and retains all AmeriCorps members.

Match Requirements

In-kind contributions may include supplies, equipment, training, volunteer hours for professional services, or space for activities. Applicants may include the value of volunteer services contributed for organizational functions such as consulting, audit, or training of staff. The sub-grantee's share may come from private or state sources. Other federal funding cannot be identified as match unless an appropriate waiver has been approved by Serve DC and CNCS. If other federal grants are used towards match those Federal Government agencies must be notified and the organization must gain permission from them.

Cost Reimbursement Grants (non-fixed amount)

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR §2521.60 and Pub. L. 113-76, Division H, Title IV, § 402

<https://beta.congress.gov/113/plaws/publ76/PLAW-113publ76.htm>

Section 121(e)(5) of the National and Community Service Act of 1990, as amended, requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to CNCS on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

The living allowance or salary provided to AmeriCorps members in Professional Corps programs (see Glossary) does not count toward the matching requirement.

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at 45 CFR §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants that plan to request an alternative match schedule must submit a request by January 5, 2015. State programs submit requests for alternative match to the State Commission.

Member Living Allowance Requirements

The proposed budget must include a living allowance for full-time members that is between \$12,530 (minimum) and \$25,060 (maximum) per member except as noted below. A living allowance is not considered a salary or a wage.

Cost reimbursement programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in Table 1 below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either CNCS or grantee share. (EXCEPTION: as noted in Section B.1. and B.3.)

While Fixed Amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance that complies with the minimum and maximum requirements to members (EXCEPTION: as noted in section B.2. and B.3.) Most Fixed Amount grant applicants are not required to indicate that amount in the application and should request those positions as “without living allowance” in the budget.

Table 1: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1700	\$12,530	\$25,060
One-year Half-time	900	n/a	\$13,265
Reduced Half-time	675	n/a	\$9,950
Quarter-time	450	n/a	\$6,635
Minimum-time	300	n/a	\$4,420

1. Exceptions to the Living Allowance Requirements (for programs existing prior to September 21, 1993)

If a program existed prior to September 21, 1993, a living allowance is not required. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement of \$12,530, but not the maximum requirement of \$25,060.

2. EAP Grantees are not required to provide a living allowance, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance Table above.

3. Professional Corps Grantees must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget. School Turnaround AmeriCorps Continuation EAPs may exceed the maximum living allowance consistent with their existing grant terms.

Maximum Cost per Member Service Year (MSY)

Maximum Costs per MSY are set forth in Table 2 below. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request from CNCS per MSY is determined on an annual basis.

New and re-competing State Commission sub-grantees/applicants will be held to the maximum cost per MSY for their grant type.

Table 2: 2015 Maximum Cost per MSY

Grant Program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	\$13,730
Professional Corps Grant (Cost Reimbursement)	Up to \$1,000*
Professional Corps Fixed Amount Grant	Up to \$1,000*
Education Award Program Fixed Amount Grant	\$800
Fulltime Fixed Amount Grant	\$13,430
State/Territory Commission Formula Prime	\$18,000
Individual State/Territory Formula Program	\$20,000
State/Territory Commission Average (of all its subgrants)	\$13,730

*CNCS' assumption is that Professional Corps will be covering the operating expenses associated with the AmeriCorps program through non CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non CNCS resources.

Programs operating in rural communities (as defined in the Glossary) and programs that recruit opportunity youth as AmeriCorps members may request up to \$13,930 cost per MSY for the AmeriCorps members that will be serving in rural areas or who are opportunity youth. The applicant must include a compelling case as to why the applicant's cost per MSY must be higher.

Member Enrollment Requirements for Existing Grantees

Serve DC expects sub-grantees to enroll all the members included in their grant award. Enrollment rates have a direct bearing on the number of slots and the size of awards approved in the continuation and re-compete processes. Continuation and re-competing grantees that have not achieved full enrollment in the previous year must provide an explanation and a corrective action plan in their application. Successful applicants that do not fully enroll are likely to receive a decrease in funding in subsequent years.

Member Retention Requirements for Existing Grantees

Serve DC expects sub-grantees to pursue the highest retention rate possible. Retention rates will have a direct bearing on the number of slots and the size of awards approved in the continuation and re-compete processes. Successful applicants that do not retain their members are likely to receive a decrease in funding in subsequent years. Serve DC recognizes retention rates may vary among equally effective programs depending on the program model. Continuation or re-competing grantees that have not achieved full retention in the most recently completed program year must provide an explanation and a corrective action plan in their application.

Amount of the Segal AmeriCorps Education Award for FY 2015

AmeriCorps members serving in programs funded with FY 2015 dollars who successfully complete a term of service will receive an Education Award from the National Service Trust of \$5,730 for a year of full-time service, with correspondingly smaller awards for less than full-time service. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven years after his or her term of service to use the Education Award.

Table 3: Term of Service and FY15 Education Award

Term of Service	Minimum # of Hours	FY15 Education Award
Full Time	1700	\$5,730.00
One-Year Half Time	900	\$2,865.00
Reduced Half Time	675	\$2,182.78
Quarter Time	450	\$1,515.55
Minimum Time	300	\$1,212.44

Serve DC Program Participation Requirements

Seasons of Service Days

Successfully funded programs will be required to participate in at least two (2) Seasons of Service Days. Examples include: 9/11 Day of Service and Remembrance (in September) or Martin Luther King, Jr. Day of Service (in January).

Serve DC National Service Program Director Events

The AmeriCorps Program Director (or his/her designee) will be present at all Serve DC Program Director Meetings, orientations, training events, and AmeriCorps special events. In addition, AmeriCorps participants from the program will be present at all statewide participant events and meetings. The sub-grantee will ensure that AmeriCorps Members are in attendance and are provided with the appropriate supervision at all Washington, DC AmeriCorps special events.

Emergency Preparedness

AmeriCorps members can receive training in emergency preparedness in order to be ready to mobilize in the event of a national emergency, major catastrophic event, or federally declared disaster. CNCS has indicated that, depending on the type and origin of the declaration, members could be redeployed to provide response and recovery support to affected areas. Members will assist in a disaster when a special emergency has been declared by the appropriate authorizing official. Members will receive basic emergency preparedness training (e.g. CERT, Community Emergency Response Team training) from Serve DC.

- Individuals receiving either a stipend, salary, living allowance, or earning a National Service Education Award must follow the National Service Criminal History check rules which include the National Sex Offender Public Registry, Statewide criminal history registry, and FBI check. For more information, please see <http://www.nationalservice.gov/build-your-capacity/grants/criminal-background-check-requirements>.

Applicant Eligibility

The following entities are eligible to apply: public or private nonprofit organizations, including faith-based and other community organizations; institutions of higher education; government entities within states or territories (e.g., cities, counties); labor organizations; partnerships and consortia; and Indian Tribes. Receiving funding previously from CNCS or another Federal agency is not a prerequisite to applying under this *Notice*.

In addition to being eligible to apply under this *Notice*, federally recognized Indian Tribes will also be eligible to apply under a separate Notice of Federal Funding Opportunity for Indian Tribes for operating or planning grants released later in the fall with an application deadline of spring 2015.

Organizations that have been convicted of a federal crime are disqualified from receiving the assistance described in this *Notice*. Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501 (c)(4) of the Internal Revenue code of 1986, 26 U.S.C. § 501 (c)(4), that engages in lobbying activities is not eligible to apply.

New Applicants

CNCS encourages organizations that have never received funding from CNCS to apply. The general practice is to award no more than 50 member positions to organizations receiving an AmeriCorps grant for the first time.

New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grants but not eligible to apply for Fixed Amount grants. Existing subgrantees/operating sites of Fixed Amount grantees that can demonstrate a track record and capacity to manage a Fixed Amount grant are considered to have AmeriCorps experience and therefore can apply for Fixed Amount grants.

Continuation applicants

Organizations that have current AmeriCorps awards that do not end in FY15 must submit an application in order to be eligible to receive funding for the following year. Please see the Application Instructions. Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the criteria under this *Notice*.

The two Fridays and weekends prior to the application deadline (January 9-11 and 16-19) the Hotline will be open from 10:00 a.m. – 7:00 p.m. ET to assist applicants. If you contact the Hotline, be prepared to provide the application ID, organization name, and the *Notice* to which your organization is applying.

If technical issues prevent an applicant from submitting an application on time, please contact the National Service Hotline prior to the deadline to explain the technical issue and receive a ticket number. Applications may not exceed 15 pages for the Narratives (18 pages for Multi-Focus Intermediaries), including the Executive Summary and SF 424 Facesheet, as the pages print out from eGrants. CNCS strongly encourages applicants to print out the application from the “Review and Submit” page prior to submission to check that the application does not exceed the page limit. This limit does not include the narrative portion of the evaluation plan or the logic model, budget, performance measures, or the supplementary materials, if applicable.

Reviewers will not consider submitted material that is over the page limit in the printed report, even if eGrants allows an applicant to enter and submit text over the limit. Do not submit other items not requested in the *Notice* or Application Instructions. CNCS will not review or return them.

Assessment Criteria

Each applicant must clearly describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. CNCS urges applicants to submit high quality applications that carefully follow the guidance in this *Notice* and in the Application Instructions. The quality of an application will be an important factor in determining whether an organization will receive funding.

Threshold Issues

Applications should reflect that they meet the threshold requirements for the grant type for which they are applying. For example: If an applicant is applying for a Professional Corps grant, its application should demonstrate that the community in which it will place professionals has an inadequate number of said professionals. If an applicant is applying for a Fixed Amount grant, the application should reflect that only full-time or less than full-time positions serving in a full-time capacity will be permitted. An application for the Governor and Mayor Initiative should clearly reflect that the application is from one Governor, one Mayor, and a minimum of two nonprofits. If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: 45 CFR §2522.910-.940), the applicant must clearly describe how the program will meet these requirements.

CNCS will assess an applicant’s strategic considerations. Applicants must check the relevant boxes in the Performance Measure tab in eGrants in order to be considered for CNCS’ assessment of the strategic considerations. Applicants should only check the boxes if the strategic consideration is an intentional part of their program design and they have implementation strategies described in the application.

Application Fields

A. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary.

The [Name of the organization] proposes to have [Number of] AmeriCorps members who will [what the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing.]

This program will focus on the CNCS focus area(s) of [Focus Area(s)].* The CNCS investment of \$[amount of request] will be matched with \$[amount of projected match], \$[amount of local, state, and federal funds] in public funding and \$[amount of non-governmental funds] in private funding.

*If the program is not operating in a CNCS' focus area, omit this sentence.

Fixed Amount grant applicants should list their leveraged resources (see Glossary) because they are not required to provide a specific amount of match, but still must raise significant additional resources to operate the program. CNCS will post all Executive Summaries of awarded grant applications on www.nationalservice.gov in the interest of transparency and Open Government.

B. Program Design (50 percent)

Reviewers will consider the quality of the application's response to the criteria below. Do not assume all sub-criteria are of equal value.

1. Problem/Need (9 points)

- The applicant clearly describes how the community problem/need will be addressed by the program.
- The applicant clearly describes how the community need/problem is prevalent and severe in communities where members will serve and the need has been well documented with relevant data.

2. Theory of Change and Logic Model (17 points)

- The applicant clearly describes the proposed intervention including the roles of AmeriCorps members and (if applicable) the roles of leveraged volunteers.
- The applicant clearly describes how the intervention is likely to lead to the outcomes identified in the applicant's theory of change.
- The applicant clearly describes how the AmeriCorps members will produce significant and unique contributions to existing efforts to address the stated problem.
- All elements of the logic model are logically aligned.

The logic model shall depict:

- A summary of the community problem outlined in the narrative.
- The inputs or resources that are necessary to deliver the intervention, including:
 - Number of locations or sites in which members will provide services
 - Number of AmeriCorps members that will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - The duration of the intervention (e.g., the total number of weeks, sessions or months of the intervention).
 - The dosage of the intervention (e.g., the number of hours per session or sessions per week.)
 - The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level).

- The measurable outputs that result from delivering the intervention (i.e. number of beneficiaries served.) Identify which National Performance Measures will be used as output indicators.
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention.

The logic model shall be no more than three pages in length.

Programs may include short, medium, or long-term outcomes in the logic model. While performance measure outcomes should be consistent with the program's theory of change, programs are not required to measure all outcomes that are included in the logic model. The Logic Model should identify which National Performance Measures will be used as outcome indicators.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention.

3. Evidence Base (8 points)

Applicants will be awarded up to 8 points for providing evidence that their proposed intervention will lead to the outcomes identified in the theory of change. Applicants shall provide a description of the studies and evaluations conducted that provide evidence that the proposed intervention is effective for the proposed population and community challenge, and should describe how this evidence places them in one of the five evidence levels listed below. Applicants must fully describe how they meet the requirement of that level, using results from studies and evaluations. Applicants are strongly encouraged to describe the evidence that supports the strongest evidence tier, and all relevant evidence presented must be included in this section. This section must include specific citations of studies and/or evaluation and research reports. Applicants classifying their evidence as Moderate or Strong must submit up to two studies, evaluation reports, briefs, or peer-reviewed articles cited in this section as separate attachments. Studies should be sent to AdditionalDocuments@cns.gov by the application deadline and include in the subject line the application ID and "evaluation studies."

For each report cited, include the date of the report, a description that shows its relevancy to the proposed program model, the methodology used in the study, and the strength of the findings (e.g. confidence level.)

For current grantees that are required to submit an evaluation report: The evaluation report will be considered as part of the evidence base of the program. Grantees may opt to include that evaluation report as one of the two studies, or submit two separate studies in addition to the evaluation report. In the latter case, all three studies will be reviewed against this criterion.

The five tiered evidence levels are:

No evidence (0 points) means that the applicant has not provided evidence that they have collected any qualitative or quantitative data to date.

Pre-preliminary evidence (1 point) means the applicant presents evidence that it has collected quantitative or qualitative data from program staff, program participants, or beneficiaries that have been used for program improvement, performance measurement reporting, and/or tracking. An example could be gathering feedback from program participants following their receipt of the intervention.

Preliminary evidence (2 points) means the applicant presents an initial evidence base that can support conclusions about the program’s contribution to observed outcomes. The evidence base consists of at least one non-experimental study conducted on the proposed program (or another similar program that uses a comparable intervention). A study that demonstrates improvement in program beneficiaries over time on one or more intended outcomes OR an implementation (process evaluation) study used to learn and improve program operations would constitute preliminary evidence. Examples of research that meet the standards include: 1) outcome studies that track program beneficiaries through a service pipeline and measure beneficiaries’ responses at the end of the program; and 2) pre- and post-test research that determines whether beneficiaries have improved on an intended outcome.

Moderate evidence (4 points) means the applicant presents a reasonably developed evidence base that can support causal conclusions for the specific program proposed by the applicant with moderate confidence. The evidence base consists of one or more quasi-experimental studies conducted on the proposed program (or another similar program that uses a comparable intervention) with positive findings on one or more intended outcomes OR two or more non-experimental studies conducted on the proposed program with positive findings on one or more intended outcomes OR one or more experimental studies of another relevant program that uses a similar intervention. Examples of research that meet the standards include: well-designed and well-implemented quasi-experimental studies that compare outcomes between the group receiving the intervention and a matched comparison group (i.e. a similar population that does not receive the intervention).

Strong evidence (8 points) means the applicant presents an evidence base that can support causal conclusions for the specific program proposed by the applicant with the highest level of confidence. This consists of one or more well-designed and well-implemented experimental studies conducted on the proposed program with positive findings on one or more intended outcomes.

The description of evidence in this section should include as much detailed information as possible. Applicants are advised to focus on presenting high-quality evidence from their strongest studies rather than only cursory descriptions of many studies. Reviewers will examine criteria that may include: a) how closely the program model evaluated in the studies matches the one proposed by the applicant; b) the methodological quality of the studies presented (e.g., statistical power, internal and/or external validity, sample size, etc.); c) the recency of the studies, with a preference towards studies that have been conducted within the last six years; and d) strength of the findings, with preference given to findings that show a large and persistent positive effect on participants demonstrated with confidence levels.

4. Notice Priority (3 points)

- The applicant clearly describes how its proposed program is within one or more of the 2015 AmeriCorps funding priorities as outlined on page 3 and more fully described in the Glossary.
- The applicant clearly describes how the proposed program meets all of the requirements detailed on page 3 and in the Glossary.

5. Member Training (4 points)

- The applicant clearly describes how members will receive high quality training to provide effective service.
- The applicant clearly describes how members and volunteers will be aware of, and will adhere to, the rules including prohibited activities.

6. Member Supervision (3 points)

- The applicant clearly describes how members will receive high quality guidance and support from their supervisor to provide effective service.

- The applicant clearly describes how supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.
- The applicant clearly describes how supervisors will provide members with excellent guidance and support throughout their service.

7. Member Experience (3 points)

- AmeriCorps members will gain skills and experience as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.
- The applicant clearly describes how AmeriCorps members will have access to meaningful service experiences and opportunities for reflection.
- The applicant clearly describes how AmeriCorps members will have opportunities to establish connections with each other and the broader National Service network to build esprit de corps.
- The applicant clearly describes how AmeriCorps members will develop an ethic of and skills for active and productive citizenship and will be encouraged to continue to engage in public and community service after their AmeriCorps term.
- The applicant clearly describes how the program will recruit AmeriCorps members from the communities in which the programs operate.

8. Commitment to AmeriCorps Identification (3 points)

- The applicant clearly describes how members will know they are AmeriCorps members.
- The applicant clearly describes how the staff and community members where the members are serving will know they are AmeriCorps members.
- The applicant clearly describes how AmeriCorps members will be provided with and will wear service gear that prominently displays the AmeriCorps logo daily.

C. Organizational Capability (25 percent)

Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Organizational Background and Staffing (7 points/10 points for new applicants)

- The applicant clearly describes how the organization has the experience, staffing, and management structure to plan and implement the proposed program.
- The applicant clearly describes how the organization has adequate experience administering AmeriCorps grants or other federal grants.
- The applicant clearly describes how the organization has sufficiently engaged community members and partner organizations in planning and implementing its intervention.

As documentation of community support and commitment to the program; please procure, keep on file, but do not submit to CNCS, letter(s) from the applicant’s most significant community partner(s). The letter(s) should include what the partner(s) see as the benefit to the community provided by the applicant’s AmeriCorps members and what activities would not happen without the AmeriCorps members.

2. Compliance and Accountability (11 points/15 points for new applicants)

- The applicant clearly describes how the applicant’s organization, in implementation and management of its AmeriCorps program, will prevent and detect compliance issues.
- The applicant clearly describes how the applicant will hold itself, subgrantees, and service site locations (if applicable) accountable if instances of risk or noncompliance are identified.

- The applicant clearly describes how the organization will comply with AmeriCorps rules and regulations including those related to prohibited and unallowable activities at the grantee, subgrantee, and service site locations (if applicable).

3. Past Performance for Current Grantees and Former Grantees Only (7 points for recompeting applicants and formula Grantees) Any applicant that has received competitive or formula funding for the same project in any of the past three years must address this criteria.

- The applicant clearly describes how it has met performance measurement targets during the last three years of program operations, or, if not, has an adequate corrective action plan in place.
- The applicant clearly describes how it achieved 100% member enrollment, in the most recent full year of program operations, or if not, has an adequate corrective action plan in place.
- The applicant clearly describes how it achieved 100% member retention, in the most recent full year of program operations, or, if not, has an adequate corrective action plan in place.
- The applicant clearly describes any compliance issues or areas of weakness/risk identified during the last three years of program operations (if applicable) and describes an effective corrective action plan that was implemented.

D. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Cost Effectiveness (18 points)

- The budget is sufficient to carry out the program effectively.
- The budget aligns with the applicant’s narrative.
- The program design is cost effective and the benefits justify the cost.
- The applicant has raised or describes an adequate plan to raise non-CNCS resources to fully support the program. This applies to Fixed Amount, EAP, and Cost Reimbursement grants.
- The applicant, if recompeting, has a lower cost per Member Service Year (MSY – see Glossary) than approved in previous grants, or provides a compelling rationale for the same or increased cost including why this increase could not be covered by the grantee share.

Having a low Cost Per Member Service year (MSY) is a competitive advantage. New applicants that submit with a low cost per MSY and recompeting applicants that submit with a lower cost per MSY than previously funded may receive higher priority for funding. Applicants requesting a higher cost per MSY than in previous years must justify their requests. If an applicant requests above the maximum cost per MSY (see Section 5.C.), it must justify its request. Please note that such requests are rarely approved.

2. Budget Adequacy (7 points)

- Budget is submitted without mathematical errors.
- Budget is submitted with adequate information to assess how each line item is calculated.
- Budget is in compliance with the budget instructions.

Applicants must fill out the budget and ensure the following information is in the budget narrative (requested information in the budget screens):

- Identify the non-CNCS funding and resources necessary to support the project.

- Indicate the amount of non-CNCS resource commitments, type of commitments (in-kind and/or cash) and the sources of these commitments.

E. Evaluation Plan (Required for recompeting grantees - 0 percent)

If the applicant is competing for the first time, please enter N/A in the Evaluation Plan field since it pertains only to recompeting grantees. If the applicant is recompeting for AmeriCorps funds for the first time (see definition of “recompeting” below) the program must submit its evaluation plan in the Evaluation Plan field in eGrants. If the applicant is recompeting for a subsequent time, the program must submit its evaluation report via email to AdditionalDocuments@cns.gov by the application deadline, as well as an evaluation plan for the next three-year period in the Evaluation Plan field in eGrants.

Evaluation plans must include the following:

- A description of the theory of change, or why the proposed intervention is expected to produce the proposed results;
- Clear and measurable outcomes that are aligned with the theory of change and will be assessed during the evaluation;
- Concrete research questions (or hypotheses) that are clearly connected to the outcomes;
- A proposed research design for the evaluation;
- Qualifications needed for the evaluator; and
- The estimated budget.

The evaluation requirements differ depending on the amount of the grant, as described in 45 CFR §2522.710:

- If the applicant is are a State/Territory subgrantee and/or National Direct Grantee (other than an Education Award Program grantee), and its average annual CNCS program grant is \$500,000 or more, it must arrange for an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in §2522.730 of this subpart.
- If the applicant is are a State/Territory subgrantee and/or National Direct Grantee whose average annual CNCS program grant is less than \$500,000, or an Education Award Program Grantee, it must conduct an internal or an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in §2522.730 of this subpart.

A program will be considered a recompeting application if it satisfies the CNCS definition of “same project” (see Glossary) and has been funded competitively for at least one complete three-year cycle. If the project satisfies the definition of same project and the applicant has completed one three-year cycle, it will be required to submit an evaluation plan. If the project satisfied the definition of same project and the applicant has completed two or more three-year cycles, the applicant will be required to submit an evaluation report as well as an evaluation plan. If the project does not satisfy the definition of recompeting, it will not be required to submit an evaluation plan, summary, or completed evaluation.

The Evaluation Plan field of eGrants does not count towards the page limit of the application; however, it does have a set character limit. Applicants should print out the report to ensure the narrative is not cut off.

State/Territory subgrantees and/or National Direct Grantees with an average annual CNCS program grant of \$500,000 or more that are recompeting for funds are eligible to apply for approval of an alternative evaluation approach. Grantees requesting approval of an alternative evaluation approach should submit a request for approval of an alternative evaluation approach along with their evaluation plan in the Evaluation Summary or Plan field in eGrants. The request should clearly explain: (a) the evaluation constraints faced by the program, (b) why the proposed approach is the most rigorous option feasible, and (c) how the proposed alternative approach will help the grantee build their evidence base. Evaluation plans should include, at a minimum, the required elements listed in this Notice. The evaluation plan must be

consistent with the information submitted in the competitive funding application and in the request for approval of an alternative evaluation approach. More information on alternative evaluation approaches can be found at: https://www.nationalserviceresources.gov/files/guidance_for_grantees_approval_of_alternative_evaluation_approach.pdf.

F. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

G. Clarification Information (0 percent)

Enter N/A. This field will be used to enter information that requires clarification in the post-review period.

H. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

3. Dun and Bradstreet University Numbering System (DUNS) Number and System for Award Management (SAM)

Applications must include a DUNS number and an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: <http://fedgov.dnb.com/webform>. The website indicates a 48-hour e-mail turnaround time on requests for DUNS numbers; however, CNCS suggests registering at least 30 days in advance of the application due date. After obtaining a DUNS number, all applicants must be registered with the Systems for Award Management (SAM) at <https://www.sam.gov/portal/public/SAM/>.

SAM collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid SAM registration, which must be renewed annually. Applicants that are not already registered with SAM are urged to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with SAM. To register online go to <https://www.sam.gov/portal/public/SAM/>.

Application Review Information

The assessment of applications involves a wide range of factors and considerations. The AmeriCorps State Competitive application process includes two levels of review: one at the State Commission level (Serve DC) and one at the Federal CNCS level.

Following Serve DC's initial review of all applications, a decision will be made as to which programs Serve DC will recommend to CNCS for Competitive funding consideration. The remaining applications – and those not selected by CNCS for Competitive funding – will be considered for AmeriCorps Formula funds. Serve DC reserves the right to reject applicants from both the Competitive process and from consideration for Formula funding. Serve DC anticipates notifying Competitive awardees by no later than May 8, 2015 (contingent on full year appropriations) and anticipates making Competitive grant awards in or about the first week of July 2015. Applicants considered for Formula funding will follow the Formula application timeline.

As in the past, CNCS and Serve DC will engage external reviewers to provide insight and input with respect to eligible applications. In addition, CNCS and Serve DC staff will apply their experience and expertise in evaluating applications. In the end, the review and selection process will produce a diversified set of high-quality programs that represent the priorities and selection factors described in these application instructions.

Specifically, the review and selection process at CNCS will:

A. Identify eligible applications that satisfy the following considerations:

- High alignment with narrative assessment criteria
- High alignment with priorities outlined in the *Notice*, including priority-specific requirements as detailed in the Glossary
- Relative risk and opportunity

B. Consider:

- Serve DC rank and recommendations on state applicants
- Serve DC input on National Direct applications, except federally-recognized Indian Tribes

C. Yield a diversified portfolio based on the following strategic considerations:

- Meaningful representation of
 - Geographic diversity
 - Rural communities (see definition in Glossary)
 - Small and medium programs
 - Single and multi-state programs
 - Faith- and community-based organizations
- Focus area representation
- Organizations and/or program models that recruit and engage traditionally underrepresented populations as AmeriCorps members and expand opportunities to serve as AmeriCorps members

The process below is the review process for CNCS. Serve DC will utilize two review panels (peer/outside reviewers and staff) to determine if an application will be submitted to CNCS for the second level of review, moved to the Serve DC AmeriCorps State Formula review, or to be rejected. Applicants must be prepared to provide clarification information as needed by Serve DC or CNCS.

A. Compliance Review

CNCS staff will review all applications submitted to CNCS to determine compliance with eligibility, deadline, and completeness requirements. In order to be compliant and advance to External Review, an applicant must satisfy all the following requirements:

- Submit a Notice of Intent to Apply by the deadline.
- Submit an application and all required additional documents by the application submission deadline.
- Submit an application that is complete, in that it contains all required elements and additional documents and follows the instructions provided in this *Notice*.

B. External Review

Each application will be reviewed by external reviewers. External reviewers will assess applications based on the Program Design and Past Performance criteria. External reviewers will be recruited and selected on the basis of demonstrated knowledge of AmeriCorps programming, and/or the selection criteria and focus areas. All external reviewers will be screened for conflicts of interest.

C. Post Review Quality Control (Quality Control)

After the external reviewers complete their assessment, staff will review the results for fairness and consistency. Some applications may be selected for a Quality Control assessment and review. This additional level of review may be used to assess:

- Applications ranked first by a State/Territory Commission that received low scores in External Review.
- Applications for which there were significant panel anomalies.
- Applications submitted by high-performing current grantees that received a low score in External Review.

D. Selection of Applications for Internal Review

Applications will advance to Internal Review based on the results of the External Review and Quality Control, as well as consideration of the priorities and the strategic considerations outlined in the *Notice*. Those applications that do not advance to Internal Review will not be recommended for funding.

E. Internal Review

CNCS staff will assess the entire application. Some applicants may receive requests to provide clarifying information and/or make changes to their application including changes to the budget. This information is used by CNCS staff in making final recommendations. Applications may be recommended for funding even if they are not asked clarification questions. A request for clarification does not guarantee a grant award. Failure to respond to requests for additional information in a timely fashion will result in the removal of applications from consideration.

CNCS staff will determine which applications to recommend for selection based on their assessment of the applicants that move from External Review and Quality Control into Internal Review, and Clarification in light of the *Notice's* priorities and strategic considerations.

F. Risk Assessment Evaluation

CNCS staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds. This evaluation is in addition to the evaluation of the applicant's eligibility for funding or the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If CNCS determines that an award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award. In evaluating risks, CNCS may consider the following:

- Financial stability;
- Quality of financial management systems and ability to meet the administrative standards prescribed in applicable OMB Guidance;
- History of performance as reflected in the applicant's record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
 - Timeliness of compliance with applicable reporting requirements, and
 - If applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- Information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as—
 - Federal Awardee Performance and Integrity Information System (FAPIIS),

- Dun and Bradstreet, or
- “Do Not Pay”;
- Reports and findings from single audits performed under OMB Circular A-133 and findings of any other available audits;
- IRS Tax Form 990;
- An applicant organization's annual report;
- Publicly available information including information from an applicant organization's website; and
- The applicant’s ability to effectively implement statutory, regulatory, or other requirements.

G. Selection for Funding

With the goal of a diversified portfolio based on the *Notice* priorities and strategic considerations, the staff will recommend a portfolio for consideration by the Chief Executive Officer (CEO.) The CEO will select the final portfolio from the applicants that advanced to Internal Review.

H. Feedback to Applicants

Following grant awards, each applicant will receive the results of External and, if applicable, Internal Review pertaining to their application. Feedback will be based on the review of the original application and will not reflect any information that may have been provided in response to clarification questions, if any.

CNCS is committed to transparency in grantmaking. The following information pertaining to this competition for new and re-competing applications will be published on the CNCS website (<http://www.nationalservice.gov/about/open-government-initiative/transparency/results-grants-competition>), within 90 business days after all grants are awarded:

- A blank template of the external review form.
- A list of all compliant applications submitted.
- Executive summaries of all compliant applications submitted by the applicants as part of the application.
- Data extracted from the Standard Form 424 Face Sheet (SF424) and Program Narrative submitted by applicants for successful applications.
- Summaries of external reviewers’ comments for successful applications.
- A list of external reviewers who completed the review process.

Continuation Expansion Requests

Requests for continuation expansions will be assessed using the same criteria as the new and re-compete applications and whether the applicant has lowered its cost per MSY.

Continuation Applications

The funding decision for continuation applications will be based on the sub-applicant continuation application, the commission’s recommendation summary, including whether to increase, maintain level, or decrease funding, the availability of funds, and information consistent with 45 CFR § 2522.470. All continuing sub-grantees will complete the continuation application in eGrants and submit it to the commission. Serve DC will complete a review and recommendation to CNCS.

Use of Material

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so. 45 CFR § 2543.36; 2541.30

Re-Focusing of Funding

CNCS reserves the right to re-focus funding in the event of disaster or other compelling need for service.

Application Instructions

Please use these application instructions if you are a new or re-competing applicant to CNCS.

If you are submitting a request for continuation to CNCS, please see the Continuation Instructions which begin on page 37.

Submitting Your Application in eGrants

Applicants must submit their applications electronically via the CNCS web-based system, eGrants. New applicants need to establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

¹ One MSY is equivalent to at least 1700 service hours, a full-time AmeriCorps position. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested in the application. It does not include childcare or the cost of the education award.

Contact the National Service Hotline at 800-942-2677 or <https://questions.nationalservice.gov/app/ask> if a problem arises while creating an account, preparing, or submitting an application. National Service Hotline hours are Monday through Thursday 9:00 a.m. to 7:00 p.m. ET. The two Fridays and weekends prior to the application deadline (January 9-11 and 16-19) the Hotline will be open from 10:00 a.m. – 7:00 p.m. ET to assist applicants. If you contact the Hotline, be prepared to provide the application ID, organization name, and the Notice to which your organization is applying.

If technical issues will prevent an applicant from submitting an application on time, please contact the National Service Hotline prior to the deadline to explain the technical issue and receive a ticket number. If the issue cannot be resolved by the deadline, the applicant must continue working with the National Service Hotline to submit via eGrants. Any supporting attachments must be emailed to sarah.watkins@dc.gov.

Any supporting attachments should be emailed to sarah.watkins@dc.gov.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria as outlined in the *Notice*. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit each funding priority and special consideration articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your project responds to the selection criteria presented below.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don't make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for

- Executive Summary.
- Rationale and Approach (Program Design).
- Organizational Capability.
- Cost Effectiveness and Budget Adequacy.
- Evaluation Plan.

Note: The Narratives Section also includes fields for Clarification Information, Amendment Justification, and Continuation Changes. **Please enter N/A in these fields. They will be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.**

Reviewers will assess your application against the selection criteria. To best respond to the criteria listed in the *Notice* and Application Instructions, we suggest that you include a brief discussion of each bullet if it pertains to your application.

In assessing Rationale and Approach/ Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members are particularly well-suited to solving the identified community problem.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which the applicant demonstrates organizational background and staffing, sustainability, compliance and accountability, enrollment and retention (for current and former grantees), consultation with State Commissions(not required for Indian Tribes), and operating and member service sites (as indicated in the *Notice*.)

3. Cost Effectiveness and Budget Adequacy (25 percent)

In assessing Cost Effectiveness and Budget Adequacy, reviewers will examine the degree to which the intervention being proposed is cost effective and the budget is appropriate for the program being proposed.

C. Evaluation Summary or Plan

VI. Budget Instructions

For Fixed-Amount grants, including EAPs: Use the Budget Instructions for Fixed-Amount applicants (Attachment E) and the Budget Worksheet (Attachment F) to prepare your budget.

A. Match Requirements

Program requirements, including requirements on match are located in the AmeriCorps regulations and summarized below.

Table 2: Match Requirements in the AmeriCorps Regulations

Grant Type	Match Requirement
Cost Reimbursement including Professional Corps, States and Territories without Commissions, Indian Tribes	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4 to 50% by the tenth year of funding and any year thereafter.
EAP Fixed-amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over \$800 per MSY provided by CNCS.
Professional Corps Fixed-amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the \$2,000 per MSY provided by CNCS.
Stipended Fixed-amount Grants	There are no specific match requirements for full-time Fixed-amount grants. Grantees pay all program costs over the maximum \$13,000 per MSY provided by CNCS.

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.
- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project's total Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are re-competing, please see 45 CFR §§ 2521.40-2521.95 for the match schedule.
- The acceptable sources of matching funds are federal, state, local, private sector, and/or other funds in accordance with applicable AmeriCorps requirements.
- In Section III of the budget, enter a brief description of the source of match. Identify each match source separately. Include dollar amount, the match classification (cash, in-kind, or Not Available) and the source type (Private, State/Local, Federal, Other or Not Available). Define all acronyms the first time they are used.
- See Attachment I for instructions for applying for the Alternative Match Schedule.

Note: The CNCS legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. If you use

other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. The Federal Financial Report (FFR) will be used to collect the federal match data. Grantees that use federal funds as match will be required to report the sources and amounts on the FFR.

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in Attachment C to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in Attachments C and D.

As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the budget checklist (Attachment G) to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If it finds any compliance issues you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Please refer to the relevant OMB Circulars on allowable costs for further guidance. The OMB circulars are online at www.whitehouse.gov/OMB/circulars.

- Cost Principles for Educational Institutions
- Cost Principles for State, Local, and Indian Tribal Governments
- Cost Principles for Non Profit Organizations

Programs must comply with all applicable federal laws, regulations, and OMB circulars for grant management, allowable costs, and audits, including providing audits to the A-133 clearinghouse if expending over \$750,000 in federal funds, as required in OMB Circular A-133.

VII. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Attachment J). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's authorized representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

CONTINUATION REQUESTS

The following instructions for submitting a continuation request apply only to programs that are currently in their first or second year of operation within a grant cycle. If your program is currently in the final year of its grant cycle, you must apply using the application instructions for new and re-competing programs. In addition, if you are in year two or three of a cost-reimbursement grant cycle, you need to submit a new application to participate in the fixed-amount grant; you cannot continue your existing project period and switch from cost-reimbursement to fixed-amount. CNCS reserves the right to consider your continuation request if your fixed-amount application is not funded.

II. Narrative (Narratives Section)

Your original application will appear in the Executive Summary and in the narrative sections Rationale and Approach/Program Design, Organizational Capability, Cost-Effectiveness and Budget Adequacy, Evaluation Summary or Plan, Amendment Justification, Clarification Information, and Continuation Changes, as appropriate.

Do not enter continuation changes in the original narrative fields. If you are not proposing changes to your continuation request, simply leave your original narrative as it is, and enter No Changes in the Continuation Changes field.

If you have changes in any of these areas, please document them in the Continuation Changes field in eGrants. Clearly differentiate Year 2 and Year 3 continuation changes by using headings that label these as such. Continuation changes may include, but are not limited to:

- New site locations.

- Expansion to new sites, including the need that will be met in expansion communities, activities of expansion members, and organizational capacity to support the expansion.
- Any changes in the budget.
- Any increase in requested cost per MSY. This applies even if the increased cost per MSY is less than the maximum or if the increase is due to increased costs set by CNCS.

Plans for improving enrollment, retention, or other compliance issues. If you enrolled less than 100% of slots received during your last full year of program operation, provide an explanation, and describe your plan for improvement in the Continuation Changes field.

If you were not able to retain all of your members during your last full year of program operation, provide an explanation, and describe your plan for improvement in the Continuation Changes field. We recognize retention rates may vary among equally effective programs depending on the program model. We expect grantees to pursue the highest retention rate possible.

If you are requesting to conduct new activities or additional MSYs, these also need to be reflected in the budget and the performance measures. The page limit for the Continuation Changes field is 6 pages, as the pages print out from eGrants.

In the Continuation Changes field, describe the manner and extent to which you consulted with the State Commission in the states in which you plan to operate (not applicable to Tribes).

III. Performance Measures (Performance Measures Section)

Applicants must check the relevant boxes in the Performance Measure tab in eGrants.

Grant Characteristics:

- AmeriCorps member Population – Communities of Color

- AmeriCorps member Population – Rural Residents
- AmeriCorps member Population – Veterans, Active Military, or their Families
- AmeriCorps member Population – Economically disadvantaged young adults/Opportunity Youth
- AmeriCorps member Population – None of the above categories

Your performance measures are copied from your previous year's application into your continuation request. If you made changes to your program, such as adding or changing grant-funded activities, or requesting additional slots or MSYs, you may need to revise your performance measures. To revise performance measures, "View/Edit" the performance measures that copy over from your original application, or add new performance measures (see Attachment B for instructions). Note in the Continuation Changes field that you have updated your performance measures.

IV. Budget (Budget Section)

Your budget from the previous year's application is copied into your continuation request so you can make the necessary adjustments. Revise your detailed budget for the upcoming year. Incorporate any required CNCS increases, such as an increase to the member living allowance into your budget. Justify any increases not required by CNCS. CNCS expects that the Cost per MSY for continuation applicants will decrease or remain the same. Any increase in Cost per MSY must be justified in the Continuation Changes field.

Source of Match

In the "Source of Match" field that appears at the end of Budget Section III, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other) **for your entire match**. Define any acronyms the first time they are used.

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

ATTACHMENT B: Performance Measures Instructions

(eGrants Performance Measures Section)

eGrants Performance Measures Module Instructions

About the Performance Measures Module

In the performance measures module, you will:

- Provide information about your program’s connection to CNCS focus areas and objectives.
- Show MSY and member allocations.
- Create one or more aligned performance measure.
- Set targets and describe data collection plans for your performance measures.

Home Page

To start the module, click the “Begin” button on the Home Page.

As you proceed through the module, the Home Page will summarize your work and provide links to edit the parts of the module you have completed. You may also navigate sections of the module using the tab feature at the top of each page.

Once you have started the module, clicking “Continue Working” will return you to the tab you were on when you last closed the module.

To edit the interventions, objectives, MSYs, and member allocations for your application, click the “Edit Objectives/MSYs/Members” button.

After you have created at least one aligned performance measure, the Home Page will display a chart summarizing your measures. To edit a performance measure, click the “Edit” button. To delete a measure, click “Delete.” To create a new performance measure, click the “Add New Performance Measure” button.

Objectives Tab

An expandable list of CNCS focus areas appears on this tab. When you click on a focus area, a list of objectives from the CNCS strategic plan appears. A list of common interventions appears under each objective.

First click on a focus area. Then click on an objective. All national performance measures fall under a strategic plan objective. Only the performance measures that correspond to the strategic plan objectives you select on this tab will be

available for selection as you continue through this module. To see which performance measures correspond to which objective, refer to the CNCS Performance Measures Instructions [add link to PM instructions document]

Next, select all interventions that are part of your program design. Interventions are the activities that members and volunteers will carry out to address the problem(s) identified in the application. Select “other” if one of your program’s interventions does not appear on the list. Repeat these actions for each of your program’s focus areas. Select “other” for your focus area and/or objective if your program activities do not fall within one of the CNCS focus areas or objectives.

Choose your program’s primary focus area from the drop-down list. Only the focus areas that correspond to the objectives you selected above appear in the list. Next, select the primary intervention within your primary focus area. You will be required to create an aligned performance measure that contains your primary intervention.

You may select a secondary focus area and a secondary intervention. The primary and secondary focus area may be the same if you have more than one intervention within the focus area.

MSYs/Members Tab

On this tab, you will enter information about the allocation of MSYs and members across the focus areas and objectives you have selected. Begin by entering the total MSYs for your program.

Next, enter the number of MSYs your program will allocate to each objective. Only the objectives that were selected on the previous tab appear in the MSY chart. If some of your program’s objectives are not represented in the chart, return to the previous tab and select additional objectives. The MSY chart must show how all your program’s resources are allocated. If you have selected the Find Opportunity objective (under the Economic Opportunity focus area) and/or the Teacher Corps objective (under the Education focus area), enter 0 MSYs for these objectives and allocate your MSYs to the other objectives you selected.

As you enter MSYs into the MSY column of the chart, the corresponding percentage of MSYs will calculate automatically. When you have finished entering your MSYs, the total percentage of MSYs in the chart must be 100%. The total number of MSYs in the chart must equal the number of MSYs in your budget (+/- 1 MSY).

In the members column, enter the number of members that will be assigned to each objective. Some members may perform services across more than one objective. If this is the case, allocate these members to all applicable objectives. For example, if one member works on both school readiness and K-12 success, allocate one member to each of these objectives. It is acceptable for members in this table to exceed total slots requested in the application due to double counting members’ service across multiple objectives.

Performance Measure Tab

This tab allows you to create sets of aligned performance measures for all the grant activities you intend to measure. You must create at least one aligned performance measure that includes your primary intervention. You may create additional aligned performance measures.

To create an aligned performance measure, begin by selecting an objective. The list of objectives includes those you selected on the objectives tab.

Provide a short, descriptive title for your performance measure.

Briefly describe the problem your program will address in this performance measure.

Select the intervention(s) to be delivered by members and member-supported volunteers. The list of interventions includes the ones you selected previously for this objective. Select only the interventions that will lead to the outcomes of this aligned performance measure. If you selected “other” as an intervention and wish to include an applicant-determined intervention in your aligned performance measure, click “add user intervention” and enter a one or two word description of the intervention.

Select output(s) for your aligned performance measure. The output list includes only the National Performance Measure outputs that correspond to the objectives you have selected. If you do not wish to select National Performance Measures, you may create an applicant-determined output by clicking “Add User Output.”

Select outcome(s). If you have selected a National Performance Measures output with a corresponding National Performance Measures outcome, these outcomes will be available to select. If you have not selected a National Performance Measures output, or if there is no corresponding outcome, create an applicant-determined outcome by clicking “Add User Outcome.”

For Capacity Building National Performance Measures, you may select optional end outcomes. Complete the corresponding drop-down box for any end outcome selected. To select more than one focus area, click “Add new focus area.” To select more than one beneficiary population, click “Add new beneficiary.” To de-select an item in the drop-down box, click the first (blank) line in the drop-down. To identify focus area outcomes that are connected to your capacity building activities, check the “Focus Area Outcome” box. To select more than one focus area outcome, select “Add new outcome.” To de-select an item in the drop-down box, click the first (blank) line in the drop-down.

Enter the number of MSYs and members your program will allocate to achieving the outcomes you have selected in this performance measure. Since programs are not required to measure all grant activities, the number you enter does not have to correspond to the MSY chart you created on the MSY/Members tab; however, the total number of MSYs across all performance measures within a single objective cannot exceed the total number of MSYs previously allocated to that objective. Members may be double-counted across performance measures, but MSYs may not. Note that MSYs and members cannot be entered for performance measures associated with the Find Opportunity objectives. For the Teacher Corps objective, enter 0 MSYs and members.

Click “next” to proceed to the data collection tab. Later you can return to this tab to create additional aligned performance measures.

Data Collection Tab

On this tab, you will provide additional information about your interventions, instruments and plan for data collection.

Describe the design and dosage (frequency, intensity, duration) of the interventions you have selected. Frequency refers to how often an intervention occurs (for example, number of sessions per week); intensity refers to the length of time devoted to the intervention (for example, number of minutes per session); and duration refers to the period of time over which the intervention occurs (for example, how many total weeks of sessions).

Expand each output and outcome and enter data collection information.

Select the data collection method you will use to measure the output or outcome. To select more than one method, click the "Add new method" button. To de-select a method, click the first (blank) line in the method drop-down.

Describe the specific instrument(s) you will use to measure the output or outcome. Include the title of the instrument(s), a brief description of what it measures and how it will be administered, and details about its reliability and validity if applicable.

Enter the target number for your output or outcome. Targets must be numbers, not percents.

For applicant-determined outputs and outcomes, enter the unit of measure for your target. The unit of measure should describe the population you intend to count (children, miles, etc.). Do not enter percents or member hours as units of measure.

After entering data collection information for all outputs and outcomes, click "Mark Complete." You will return to the Performance Measure tab. If you wish to create another performance measure, repeat the process. If you would like to continue to the next step of the module, click "Next."

Summary Tab

The summary tab shows all of the information you have entered in the module.

To print a summary of all performance measures, click "Print PDF for all Performance Measures."

To print one performance measure, expand the measure and click "Print This Measure."

Click "Edit Performance Measure" to return to the Performance Measure tab.

Click "Edit Data Collection" to return to the Data Collection tab.

"Click Validate Performance Measures" to validate this module prior to submitting your application.

ATTACHMENT C: Detailed Budget Instructions (eGrants Budget Section)

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. Reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

We expect all State Commissions and National Direct applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. There are two to three such opportunities per year.

Please itemize the costs. For example: Two staff members will attend the Annual Grantee Meeting in Washington, DC.
2 staff X \$750 airfare + \$50 ground transportation + (1 day) X \$400 lodging + \$35 per diem = \$2,470 for Annual Grantee Meeting.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in E. Supplies below. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

AmeriCorps members must wear an AmeriCorps logo on a daily basis – preferably clothing with the AmeriCorps logo. The item with the AmeriCorps logo is a required budget expense. Please include the cost of the item with the AmeriCorps logo in your budget or explain how your program will be providing the item to AmeriCorps members without using grant funds. Grantees may add the AmeriCorps logo to their own local program uniform items using federal funds. Please note that your program will be using the AmeriCorps logo in the budget description.

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. There is not a maximum daily rate.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Personnel

Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share). Please include the cost for these checks for staff and members or explain how your program will be covering the cost.
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, internet and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.
- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the "grantee share" column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and provisions.

Section II. Member Costs

Member Costs are identified as "Living Allowance" and "Member Support Costs." Your required match can be federal, state, local, or private sector funds.

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, half-time, reduced-half-time, quarter-time, minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share (CNCS Share) and grantee match (Grantee Share).

The minimum and maximum living allowance amounts are provided in the *Notice*.

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for which you are not requesting funds for a living allowance, but for which you are requesting education awards.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next

to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.

- **Worker's Compensation.** Some states require worker's compensation for AmeriCorps members. You must check with State Departments of Labor or State Commissions where members serve to determine if you are required to pay worker's compensation and at what level. If you are not required to pay worker's compensation, you must obtain Occupational, Accidental, Death and Dismemberment coverage for members to cover in-service injury or accidents.
- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Some states require unemployment coverage for their AmeriCorps members. You may not charge the cost of unemployment insurance taxes to the grant unless mandated by state law. Programs are responsible for determining the requirements of state law by consulting State Commissions, legal counsel, or the applicable state agencies.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21, A-87, and A-122.

Options for Calculating Administrative/Indirect Costs (choose either A OR B)

Applicants choose one of two methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method or a federally approved indirect cost rate method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant. Do not create additional lines in this category.

A. CNCS-Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the CNCS and grantee shares under Total Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs, that decision is identified within each subgrant's budget. To calculate these fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$$

$$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

B. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate and choose to use it, the rate will constitute documentation of your administrative costs, including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

If a commission elects to retain a share of the 5% of federal funds available, please note the percentage or amount in the text. There is no separate line item to show this calculation.

3. To determine the Grantee share: Subtract the amount calculated in step b (the CNCS administrative share) from the amount calculated in step a (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

Source of Match

In the "Source of Match" field that appears at the end of Budget Section III, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other or Not Available) **for your entire match**. Define any acronyms the first time they are used.

ATTACHMENT E: Detailed Budget Instructions for Fixed-amount Grants (eGrants Budget Section)

These instructions apply only to applicants for fixed-amount grants, including education award programs (EAPs).

EAP and Fixed-amount Grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed-amount applicants are not required to complete a detailed budget or complete the grantee share column. However, you must complete the source of match chart to identify the sources of the additional revenue you need to operate the program. If you are applying for a Stipended Fixed-amount grant, you must pay at least the minimum living allowance listed in the *Notice* for each type of position you are proposing.

Budget Section II. AmeriCorps Member Positions

Member Positions

Identify the number of members you are requesting by category (i.e. full-time, half-time, reduced half-time, quarter-time, minimum-time) and list under the column labeled **#w/o Allow** (without CNCS-funded living allowance.) **Leave all other columns blank.**

The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

	Calculation	MSY
Member Positions		
_____ Full-time (1700 hours)	(_____ members x 1.000)	=
_____ 1-Year Half-time (900 hours)	(_____ members x 0.500)	=
_____ Reduced half-time (675 hours)	(_____ members x 0.3809524)	=
_____ Quarter-time (450 hours)	(_____ members x 0.26455027)	=
_____ Minimum-time (300 hours)	(_____ members x 0.21164022)	=
	Total MSY	

Under "Calculation," you will enter the calculation for your grant request. Applicants may request up to \$800 per member service year (MSY).

Display your calculation in the following format:

ATTACHMENT G: Budget Checklist

Below is a checklist to help you make certain that you submit an accurate budget narrative that meets AmeriCorps requirements. Note: This does not apply to Fixed-amount grants.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Costs charged under the Personnel line item directly relate to the operation of the AmeriCorps project? Examples include costs for staff that recruit, train, place, or supervise members as well as manage the project.
Yes ___ No ___	Staff indirectly involved in the management or operation of the applicant organization is funded through the administrative cost section (Section III.) of the budget? Examples of administrative costs include central management and support functions.
Yes ___ No ___	Staff fundraising expenses are not charged to the grant? You may not charge AmeriCorps staff members' time and related expenses for fundraising to the federal or grantee share of the grant. Expenses incurred to raise funds must be paid out of the funds raised. Development officers and fundraising staff are not allowable expenses.
Yes ___ No ___	All positions in the budget are fully described in the program narrative?
Yes ___ No ___	The types of fringe benefits to be covered and the costs of benefit(s) for each staff position are described? Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, please list separately.
Yes ___ No ___	Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	The purpose for all staff and member travel is clearly identified?
Yes ___ No ___	You have budgeted funds for State Commission and National Direct staff travel to CNCS sponsored meetings in the budget narrative under Staff Travel?
Yes ___ No ___	Funds to pay relocation expenses of AmeriCorps members are not in the federal share of the budget?
Yes ___ No ___	Funds for the purchase of equipment (does not include general use office equipment) are limited to 10% of the total grant amount?
Yes ___ No ___	All single equipment items over \$5000 per unit are specifically listed?
Yes ___ No ___	Justification/explanation of equipment items is included in the budget narrative?
Yes ___ No ___	All single supply items over \$1000 per unit are specifically listed?
Yes ___ No ___	Cost of items with the AmeriCorps logo that will be worn daily is included for all AmeriCorps members? Or if not, there is an explanation of how the program will be providing the AmeriCorps logo item to AmeriCorps members using funds other than CNCS grant funds.
Yes ___ No ___	You only charged to the federal share of the budget member service gear that includes the AmeriCorps logo and noted that the gear will have the AmeriCorps logo, with the exception of safety equipment?
Yes ___ No ___	Does the budget reflect adequate budgeted costs for project evaluation?
Yes ___ No ___	Have you provided budgeted costs for criminal history checks of members and grant-funded staff that are in covered positions per 45 CFR 2522.205? Or, if not, there is an explanation of how the program will be covering the costs.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance. If exempted from paying FICA, is the exemption noted in the budget narrative?
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you will provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., Death and Dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.
Yes ___ No ___	Unemployment insurance is only budgeted if state law requires it?

In Compliance?	Section III. Administrative/Indirect Costs
Yes ___ No ___	Applicant has chosen Option A – CNCS-fixed percentage method and the maximum federal share of administrative costs does not exceed 5% of the total federal funds budgeted? To determine the federal administrative share, multiply all other budgeted federal funds by .0526.
Yes ___ No ___	Applicant has chosen Option A – CNCS fixed percentage method and the maximum grantee share is at 10% or less of total budgeted funds?
Yes ___ No ___	Applicant has chosen Option B – federally approved indirect cost rate method and documentation submitted to CNCS if multi-state, state or territory without commission or Indian Tribe applicant? Administrative costs budgeted include the following: (1) indirect costs such as legal staff, central management and support functions; (2) costs for financial, accounting, audit, internal evaluations, and contracting functions; (3) costs for insurance that protects the entity that operates the project; and (4) the portion of the salaries and benefits of the director and any other project administrative staff not attributable to the time spent in direct support of a specific project.

In Compliance?	Match
-----------------------	--------------

Yes ___ No ___	Is the overall match being met at the required level, based on the year of funding?
Yes ___ No ___	For all matching funds, the source(s) [private, state and local, and federal], the type of contribution (cash or in-kind), and the amount (or an estimate) of match, are clearly identified in the narrative and in the Source of Match field in eGrants?
Yes ___ No ___	The amount of match is for the entire amount in the budget narrative.

ATTACHMENT H: Alternative Match Instructions

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, CNCS will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 6, 7, 8 or 9 is eligible to apply for the alternative match requirement. See Attachment I for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, CNCS will consider the following list of county-level characteristics. See Attachment I for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, CNCS will determine the location of your program based on the legal applicant's address. If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. CNCS will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule per the information contained in the *Notice*. CNCS will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then forward the approved request to CNCS for consideration.

Submit mail applications per the NOFO instructions.

ATTACHMENT I: Beale Codes and County-Level Economic Data for Alternative Match Requests

Rural Community

Beale codes are published by the U.S. Department of Agriculture and are used to classify counties as being more urban or more rural. Counties are designated on a scale from one to nine according to the following descriptions:

2003 Beale Codes		
Code#	Metropolitan Type	Description
1	Metropolitan	Counties in metro areas of 1 million population or more
2	Metropolitan	Counties in metro areas of 250,000 to 1 million
3	Metropolitan	Counties in metro areas of fewer than 250,000
4	Non-metro	Urban population of 20,000 or more, adjacent to a metropolitan area
5	Non-metro	Urban population of 20,000 or more, not adjacent to a metropolitan area
6	Non-metro	Urban population of 2,500 to 19,999, adjacent to a metropolitan area
7	Non-metro	Urban population of 2,500 to 19,999, not adjacent to a metropolitan area
8	Non-metro	Completely rural or less than 2,500 urban population, adjacent to a metropolitan area
9	Non-metro	Completely rural or less than 2,500 urban population, not adjacent to a metropolitan area

Any program located in a county with a Beale code of 6, 7, 8, or 9 is eligible to apply for the alternative match.
